

I am a current financial supporter and listener of K-LOVE, 90.7. This is the only radio station that I listen to because it brings God into my home, car, and work. K-LOVE is of great value to my community and would be deeply missed by many. There are many radio stations that relay the wrong message to our society but yet only a few that enhance the lives of their listeners. You would be doing a great injustice to K-LOVE and all their devoted listeners by forcing them off the air. Please think twice before doing leaving us without K-LOVE.
